IN ASSEMBLY -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read once and referred to the Committee on Ways and Means

AN ACT making appropriations for the support of government

AID TO LOCALITIES BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for aid to
2 localities, or so much thereof as shall be sufficient to accomplish the
3 purposes designated by the appropriations, are hereby appropriated and
4 authorized to be paid as hereinafter provided, to the respective public
5 officers and for the several purposes specified.

6 b) Where applicable, appropriations made by this chapter for expendi-
7 ures from federal grants for aid to localities may be allocated for
8 spending from federal grants for any grant period beginning, during, or
9 prior to, the state fiscal year beginning on April 1, 2026 except as
10 otherwise noted.

11 c) The several amounts named herein, or so much thereof as shall be
12 sufficient to accomplish the purpose designated, being the undisbursed
13 and/or unexpended balances of the prior year's appropriations, are here-
14 by reappropriated from the same funds and made available for the same
15 purposes as the prior year's appropriations, unless herein amended, for
16 the fiscal year beginning April 1, 2026. Certain reappropriations in
17 this chapter are shown using abbreviated text, with three leader dots
18 (an ellipsis) followed by three spaces (...) used to indicate where
19 existing law that is being continued is not shown. However, unless a
20 change is clearly indicated by the use of brackets [] for deletions and
21 underscores for additions, the purposes, amounts, funding source and all
22 other aspects pertinent to each item of appropriation shall be as last
23 appropriated.

24 For the purpose of complying with the state finance law, the year,
25 chapter and section of the last act reappropriating a former original
26 appropriation or any part thereof is, unless otherwise indicated, chap-
27 ter 53, section 1, of the laws of 2025.

28 d) No moneys appropriated by this chapter shall be available for
29 payment until a certificate of approval has been issued by the director
30 of the budget, who shall file such certificate with the department of
31 audit and control, the chairperson of the senate finance committee and
32 the chairperson of the assembly ways and means committee.

33 e) Notwithstanding any provision contained herein or any other law to
34 the contrary, if, on a cash basis of accounting, a general fund imbal-
35 ance has or is expected to occur in fiscal year 2026-27, the budget
36 director is hereby authorized to withhold all or some of the amounts

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[] is old law to be omitted.

1 appropriated herein, including amounts that are to be paid on specific
2 dates prescribed in law or regulation. Prior to withholding any amounts,
3 the director shall consider whether other means are available for accom-
4 plishing the purposes of this provision. Provided further, the director
5 shall consider the impact of any such amounts to be withheld. To the
6 extent the state is obligated to make payment to any individual or enti-
7 ty pursuant to any appropriation contained herein, such obligation shall
8 be reduced commensurate with such payments withheld by the director of
9 the budget.

10 The following types of appropriations shall be exempt from such with-
11 holds pursuant to this provision: (a) public assistance payments for
12 families and individuals and payments for eligible aged, blind and disa-
13 bled persons related to supplemental social security; (b) any reductions
14 that would violate federal law; (c) payments of debt service and related
15 expenses for which the state is constitutionally obligated to pay debt
16 service or is contractually obligated to pay debt service, subject to an
17 appropriation, including where the state has a contingent contractual
18 obligation; and (d) payments the state is obligated to make pursuant to
19 court orders or judgments.

20 For purposes of this provision, a general fund imbalance shall occur
21 if any state fiscal year 2026-27 quarterly financial plan update
22 required by subdivision 4 of section 23 of the state finance law
23 reflects, or if at any point during the final quarter of state fiscal
24 year 2026-27 the budget director projects, that estimated general fund
25 receipts and/or estimated general fund disbursements have or will vary
26 from the estimates included in the state fiscal year 2026-27 enacted
27 budget financial plan required by sections 22 and 23 of the state
28 finance law results in a cumulative budget imbalance of \$2,000,000,000
29 or more. Provided however, that such \$2,000,000,000 must be calculated
30 without considering any payments withheld in accordance with this
31 provision or any depletion of the state fiscal year 2026-27 transaction
32 risk reserve accounting mechanism.

33 "Estimated general fund receipts" shall mean general fund tax
34 receipts, after payment of debt service and miscellaneous receipts
35 estimated by the budget director to be received during state fiscal year
36 2026-27.

37 "Estimated general funds disbursements" shall mean general funds
38 disbursements, including transfers, estimated by the budget director to
39 be made during state fiscal year 2026-27.

40 No later than ten business days following the issuance of any state
41 fiscal year 2026-27 quarterly financial plan update that includes a
42 determination, and/or the date in the final quarter of the state fiscal
43 year 2026-27 upon which the budget director determines, that a general
44 fund imbalance exists, the budget director shall provide notification of
45 payments that will be withheld pursuant to this provision to the presi-
46 dent pro tempore of the senate and the speaker of the assembly.
47 Provided, however, the aggregate amount of payments withheld pursuant to
48 this provision shall at no point be in an amount greater than the deter-
49 mined cumulative general fund imbalance. Provided further however,
50 before any payments may be withheld pursuant to this provision, the
51 budget director shall first deplete the \$2,000,000,000 transaction risk
52 reserve accounting mechanism to resolve the determined general fund
53 imbalance, as practicable. Such notification will also identify any
54 other means the budget director intends to use to resolve any portion of
55 the general fund imbalance, including but not limited to the aforemen-
56 tioned depletion of the transaction risk reserve and/or any other
57 resources.

58 Following such budget director notification, the legislature shall
59 have ten business days to prepare and adopt by concurrent resolution its
60 own withhold plan which conforms with the requirements of this
61 provision, and which achieves the same aggregate of payment withholds as
62 the budget director's withhold plan. If after ten business days follow-
63 ing the budget director's notification the legislature fails to prepare
64 and adopt its own withhold plan, or if the budget director determines
65 that the withhold plan prepared and adopted by the legislature does not
66 conform with the requirements of this provision, the withholds identi-
67 fied in the budget director's withhold plan will immediately take

1 effect.

2 Notwithstanding any other provision contained herein or any other
3 provision of law to the contrary, any payments withheld pursuant to this
4 section may be paid in full or in part if a subsequent general fund
5 surplus materializes in state fiscal year 2026-27.

6 f) Notwithstanding any provision of law to the contrary, for purposes
7 of any appropriation made by this chapter which authorizes spending in
8 an amount net of refunds, rebates, reimbursements, credits, repayments,
9 and/or disallowances, "refunds" shall mean funds received to the state
10 resulting from the overpayment of monies, "rebates" shall mean funds
11 received to the state resulting from a return of a full or partial
12 amount previously paid, as for goods or services, serving as a
13 reduction, discount or rebate to the original payment amount,
14 "reimbursements" shall mean funds received to the state as repayment in
15 an equivalent amount for goods or services, including but not limited to
16 personal service costs, incurred by the state in the first instance
17 being provided to a third party for their benefit and partially or in
18 full financed by such third party, "credit" shall mean monies made
19 available to the state that reduce the amount owed to a third party,
20 including but not limited to billing errors, rebates, and prior overpay-
21 ments, "repayment" shall mean the return of monies as pay back for
22 expenses incurred, and "disallowance" shall mean monies made available
23 to the state that were not allowed or accepted officially by the
24 intended recipient, based on a determination the payment is not accepta-
25 ble and/or valid. When the office of the state comptroller receives any
26 such refunds, rebates, reimbursements, credits, repayments, and/or
27 disallowances, he or she shall credit the refunded, rebated, reimbursed,
28 credited, repaid, and disallowed amount back to the original appropri-
29 ation and reduce expenditures in the year which such credit is received
30 regardless of the timing of the initial expenditure.

31 g) Notwithstanding any provision of law to the contrary, subject to
32 the approval of the director of the budget, the federal funds
33 appropriated herein shall be available for the purposes of the stated
34 program, regardless of the federal agency administering such program,
35 and may be expended for all eligible costs consistent with applicable
36 federal laws and regulations, including pursuant to a memorandum of
37 understanding or interagency agreement with other state departments or
38 agencies for the administration or operation of such program.

39 h) Notwithstanding any provision of law to the contrary, upon enact-
40 ment of this chapter of the laws of 2026 containing the aid to locali-
41 ties budget bill for the state fiscal year 2026-27, all appropriations
42 and reappropriations contained in chapter 53 of the laws of 2025, which
43 would otherwise lapse by operation of law on March 31, 2027 are hereby
44 repealed.

45 i) The appropriations contained in this chapter shall be available for
46 the fiscal year beginning on April 1, 2026 except as otherwise noted.

1 or more.
2 Notwithstanding any other provision of law,
3 a portion of the funds are available to
4 reimburse eligible social services
5 districts located outside of a city having
6 a population of one million or more for
7 eligible costs incurred to supply luggage
8 to children in foster care pursuant to
9 section 398-f of the social services law.

10 Notwithstanding any other provision of law,
11 a portion of the funds are available to
12 reimburse social services districts for
13 the change in the maximum state aid rates
14 established by the office of children and
15 family services for the 2026-27 rate year
16 pursuant to section 398-a of the social
17 services law and sections 4003 and 4405 of
18 the education law to reflect the continua-
19 tion of the cost of living adjustments
20 that became effective April 1, 2008 for
21 payments made to foster parents and for
22 salary and fringe benefit costs and other
23 critical nonpersonal services costs for
24 foster care programs as determined by the
25 office. Social services districts must
26 adjust the amount of payments made for
27 care provided by congregate care and
28 foster boarding home programs and to
29 foster parents to reflect the cost of
30 living adjustments in the manner specified
31 by the office. Each authorized agency
32 operating a congregate care or foster
33 boarding home program in New York state
34 for which the office sets a maximum state
35 aid rate pursuant to section 398-a of the
36 social services law or section 4003 or
37 4405 of the education law shall submit, at
38 the time and in a manner to be determined
39 by the office, a written certification,
40 attesting that the funds received for the
41 continuation of the cost of living adjust-
42 ment to the maximum state aid rate that
43 became effective April 1, 2008 for that
44 program will be or were used solely in
45 accordance with the requirements of the
46 cost of living adjustment established by
47 the office.

48 Notwithstanding any inconsistent provision
49 of law including, but not limited to, any
50 chapter of the laws of 2026 which enacts a
51 targeted inflationary increase for the
52 state fiscal year beginning on April 1,
53 2026, the commissioner shall continue to
54 apply any targeted inflationary increase
55 in effect on March 31, 2026 for the entire
56 rate year that began when such cost of
57 living adjustment increase was in effect.
58 Notwithstanding any inconsistent provision
59 of law, the commissioner shall apply a 1.7

1 percent targeted inflationary increase for
2 the rate year that begins on July 1, 2026
3 for the purposes of establishing rates of
4 payments, contracts, or any other form of
5 reimbursement, provided that this shall
6 not prevent the commissioner from applying
7 additional trend or staff retention
8 factors for this program.
9 Within the amounts appropriated herein,
10 state reimbursement to each social
11 services district for services identified
12 herein that are otherwise reimbursable by
13 the state from April 1, 2026 through March
14 31, 2027 shall be limited to a district
15 allocation, hereinafter referred to as the
16 district's block grant allocation.
17 Notwithstanding any other provision of
18 law, such block grant allocation shall be
19 based, in part, on each district's claims
20 for such costs, adjusted by the applicable
21 cost allocation methodology and net of any
22 retroactive payments for the 12 month
23 period ending June 30, 2025 that are
24 submitted on or before January 2, 2026
25 and, in part, on such other factors as
26 determined by the office of children and
27 family services and approved by the direc-
28 tor of the budget. Any portion of a social
29 services district's allocation from funds
30 appropriated herein not claimed by such
31 district during the state fiscal year may
32 be used by such district for expenditures
33 on preventive services provided pursuant
34 to section 409-a of the social services
35 law, independent living services and
36 aftercare services provided pursuant to
37 regulations of the department of family
38 assistance, claimed by such district
39 during the next state fiscal year up to
40 the amount remaining from the district's
41 foster care block grant allocation,
42 provided however, that any claims for such
43 services during the next state fiscal year
44 in excess of such amount shall be subject
45 to 62 percent state reimbursement exclu-
46 sive of any federal funds made available
47 for such purposes, in accordance with
48 directives of the department of family
49 assistance and subject to the approval of
50 the director of the budget. Any claims
51 submitted by a social services district
52 for reimbursement for a particular state
53 fiscal year for which the social services
54 district does not receive state or federal
55 reimbursement during that state fiscal
56 year may not be claimed against that
57 district's block grant apportionment for
58 the next state fiscal year.
59 The office of children and family services,

1 with the approval of the director of the
2 budget, may reduce a district's block
3 grant allocation by the state share
4 decrease related to federal retroactive
5 reimbursement for such foster care
6 services identified herein. The office,
7 with the approval of the director of the
8 budget, may reduce a district's block
9 grant allocation by the state share of
10 disallowances or sanctions taken against
11 the district pursuant to the social
12 services law or federal law.

13 Notwithstanding any other provision of law,
14 the state shall not be responsible for
15 reimbursing a social services district and
16 a district shall not seek state reimburse-
17 ment for any portion of any state disal-
18 lowance or sanction taken against the
19 social services district, or any federal
20 disallowance attributable to final federal
21 agency decisions or to settlement made, on
22 or after July 1, 1995, when such disallow-
23 ance or sanction results from the failure
24 of the social services district to comply
25 with federal or state requirements,
26 including, but not limited to, failure to
27 document eligibility for federal or state
28 funds in the case record; provided, howev-
29 er, if the office determines that any
30 federal disallowance for services provided
31 between January 1, 1999 and May 31, 1999
32 results solely from the late enactment of
33 the state legislation implementing the
34 federal adoption and safe families act,
35 the state shall be solely responsible for
36 the full amount of the disallowance or
37 sanction; provided, further, however, this
38 provision shall be deemed to apply both
39 prospectively and retroactively regardless
40 of whether such sanctions or disallowances
41 are for services provided or claims made
42 prior to or after April 1, 2026.

43 Notwithstanding any other provision of law,
44 any federal disallowance resulting from a
45 federal title IV-E eligibility review or
46 audit that uses extrapolated statistic
47 techniques shall be passed along by the
48 state to any and all social services
49 districts that the office of children and
50 family services has determined have not
51 complied with the title IV-E eligibility
52 requirements or have not taken the neces-
53 sary actions to ensure compliance with
54 such requirements including, but not
55 limited to, failing to: assess and fully
56 document all the criteria and have readily
57 available all the necessary documents to
58 establish and continue title IV-E eligi-
59 bility for all title IV-E eligible chil-

1 dren within the required time frames;
2 claim title IV-E funding only for cases
3 that meet all of the title IV-E eligibil-
4 ity criteria; and fully implement the
5 social services payment system on or
6 before April 1, 2005 for all direct and
7 voluntary agency foster care services.
8 Notwithstanding any law to the contrary, the
9 office of children and family services
10 shall impose on social services districts
11 any federal disallowance issued against
12 the state as a result of a federal title
13 IV-E secondary eligibility review regard-
14 less of the date the children may have
15 entered foster care, the date the eligi-
16 bility or payment errors occurred, or the
17 filing date of any federal claims for
18 reimbursement; provided, however, that the
19 state shall be responsible for the disal-
20 lowed costs and expenditures related to
21 the placement of children in a facility
22 operated by the office of children and
23 family services, which shall be determined
24 in the same manner as the disallowed costs
25 and expenditures for social services
26 districts other than the city of New York.
27 In order to reimburse the federal govern-
28 ment for the full amount of any disallow-
29 ance imposed on the state by the federal
30 administration for children and families
31 within the timeframes necessary to avoid
32 any potential interest payments on such
33 amount, the office of children and family
34 services is authorized to immediately
35 offset funds otherwise due to each
36 district for a pro rata share of the total
37 disallowed costs based on the percentage
38 of applicable federal title IV-E claims
39 made by that district for the relevant
40 time period as compared to the total
41 applicable statewide title IV-E claims.
42 The amount of the offset against each
43 district will be adjusted, if necessary,
44 upon completion of the disallowance allo-
45 cation process. The final allocation of
46 the amount of any federal disallowance
47 resulting from a title IV-E secondary
48 eligibility review shall be allocated
49 among the districts so that each district
50 shall be responsible for the amount
51 attributable to each of the district's
52 children or cases that are determined by
53 the federal review to be unallowable. Each
54 district shall also be responsible for a
55 portion of the federal extrapolated disal-
56 lowance amount based on the relative error
57 rate for the district. The city of New
58 York's error rate will be based on the
59 federal sample and federal statistics. For

DEPARTMENT OF FAMILY ASSISTANCE
OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES 2026-27

1 all social services districts other than
2 the city of New York, the error rate will
3 be based on a review conducted by the
4 district of a sample of children and/or
5 cases determined by the office of children
6 and family services and a re-review of a
7 sub-sample by the office of those children
8 and/or cases determined by the office. The
9 office of children and family services
10 will determine what is reasonable in
11 establishing the size of the sample and
12 sub-sample for each district. The office
13 of children and family services shall
14 notify each social services district of
15 the sample of children and/or cases from
16 the federal audit period that the social
17 services district must review. Any child
18 or case from the social services district
19 that was included in the federal sample
20 will automatically be included in the
21 social services district's review sample
22 and the determination made at the federal
23 review regarding that child or case will
24 govern for the purposes of the social
25 services district's review. The social
26 services district must complete and submit
27 the results of its review to the office of
28 children and family services within 60
29 days of receipt of the sample. The error
30 rate for the district will be based on the
31 findings of the district's review and the
32 office of children and family services'
33 re-review. If a social services district
34 does not complete its review within 60
35 days of receiving the sample from the
36 office of children and family services,
37 the office of children and family services
38 shall assign an error rate to the social
39 services district based on the relative
40 percentage of the district's applicable
41 title IV-E claims for the relevant period
42 as compared to applicable statewide title
43 IV-E claims for that period and other
44 circumstances that the office of children
45 and family services may consider in order
46 to allocate 100 percent of the federal
47 disallowance. The office of children and
48 family services shall apply each social
49 services district's error rate to the
50 total amount of the district's applicable
51 title IV-E claims including associated
52 administrative expenses. The resulting
53 dollar amounts for all of the social
54 services districts will be summed to
55 derive the total amount of title IV-E
56 claims deemed to be in error statewide. To
57 establish a disallowance percentage for
58 each social services district, the amount
59 of the district's title IV-E claims deemed

DEPARTMENT OF FAMILY ASSISTANCE
OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES 2026-27

1 to be in error will be divided by the
2 amount of statewide title IV-E claims
3 deemed to be in error. The resulting
4 disallowance percentage for each district
5 will be applied to the entire title IV-E
6 extrapolated disallowance calculated by
7 the federal review to determine the amount
8 of the extrapolated disallowance for which
9 the district is responsible. Each district
10 will be credited for the amount already
11 disallowed for any individual children or
12 cases found to be in error during the
13 federal review. The exclusive appeal
14 rights for the review of the amount of the
15 federal disallowance assigned to each
16 social services district shall be pursuant
17 to article 78 of the civil practice law
18 and rules; provided, however, that in any
19 such action all of the social services
20 districts shall be joined as necessary
21 parties and the venue of any such action
22 shall be in Rensselaer county. Any social
23 services district that fails to complete
24 its sample review in the required time
25 frames shall have no right to appeal and
26 shall not be a necessary party to any
27 action brought by another social services
28 district.

29 The money hereby appropriated is to be
30 available for payment of state aid hereto-

3 shall not be available for tuition expenditures for foster children,
4 including persons in need of supervision and adjudicated juvenile
5 delinquents, made by a social services district located within a
6 city having a population of one million or more.
7 Notwithstanding any other provision of law, a portion of the funds are
8 available to reimburse social services districts for the change in
9 the maximum state aid rates established by the office of children
10 and family services for the 2025-26 rate year pursuant to section
11 398-a of the social services law and sections 4003 and 4405 of the
12 education law to reflect the continuation of the cost of living
13 adjustments that became effective April 1, 2008 for payments made to
14 foster parents and for salary and fringe benefit costs and other
15 critical nonpersonal services costs for foster care programs as
16 determined by the office. Social services districts must adjust the
17 amount of payments made for care provided by congregate care and
18 foster boarding home programs and to foster parents to reflect the
19 cost of living adjustments in the manner specified by the office.
20 Each authorized agency operating a congregate care or foster
21 boarding home program in New York state for which the office sets a
22 maximum state aid rate pursuant to section 398-a of the social
23 services law or section 4003 or 4405 of the education law shall
24 submit, at the time and in a manner to be determined by the office,
25 a written certification, attesting that the funds received for the
26 continuation of the cost of living adjustment to the maximum state
27 aid rate that became effective April 1, 2008 for that program will
28 be or were used solely in accordance with the requirements of the
29 cost of living adjustment established by the office.
30 Notwithstanding any inconsistent provision of law including, but not
31 limited to, any chapter of the laws of 2025 which enacts a targeted
32 inflationary increase for the state fiscal year beginning on April
33 1, 2025, the commissioner shall continue to apply any cost of living
34 adjustment increase in effect on March 31, 2025 for the entire rate
35 year that began when such cost of living adjustment increase was in
36 effect. Notwithstanding any inconsistent provision of law, the
37 commissioner shall apply a 2.6 percent targeted inflationary
38 increase for the rate year that begins on July 1, 2025 for the
39 purposes of establishing rates of payments, contracts, or any other
40 form of reimbursement, provided that this shall not prevent the
41 commissioner from applying additional trend or staff retention
42 factors for this program.
43 Within the amounts appropriated herein, state reimbursement to each
44 social services district for services identified herein that are
45 otherwise reimbursable by the state from April 1, 2025 through March
46 31, 2026 shall be limited to a district allocation, hereinafter
47 referred to as the district's block grant allocation.
48 Notwithstanding any other provision of law, such block grant
49 allocation shall be based, in part, on each district's claims for
50 such costs, adjusted by the applicable cost allocation methodology
51 and net of any retroactive payments for the 12 month period ending
52 June 30, 2024 that are submitted on or before January 2, 2025 and,
53 in part, on such other factors as determined by the office of
54 children and family services and approved by the director of the
55 budget. Any portion of a social services district's allocation from
56 funds appropriated herein not claimed by such district during the
57 state fiscal year may be used by such district for expenditures on

1 provided pursuant to regulations of the department of family
2 assistance, claimed by such district during the next state fiscal
3 year up to the amount remaining from the district's foster care
4 block grant allocation, provided however, that any claims for such
5 services during the next state fiscal year in excess of such amount
6 shall be subject to 62 percent state reimbursement exclusive of any
7 federal funds made available for such purposes, in accordance with
8 directives of the department of family assistance and subject to the
9 approval of the director of the budget. Any claims submitted by a
10 social services district for reimbursement for a particular state
11 fiscal year for which the social services district does not receive
12 state or federal reimbursement during that state fiscal year may not
13 be claimed against that district's block grant apportionment for the
14 next state fiscal year.

15 The office of children and family services, with the approval of the
16 director of the budget, may reduce a district's block grant
17 allocation by the state share decrease related to federal
18 retroactive reimbursement for such foster care services identified
19 herein. The office, with the approval of the director of the budget,
20 may reduce a district's block grant allocation by the state share of
21 disallowances or sanctions taken against the district pursuant to
22 the social services law or federal law.

23 Notwithstanding any other provision of law, the state shall not be
24 responsible for reimbursing a social services district and a
25 district shall not seek state reimbursement for any portion of any
26 state disallowance or sanction taken against the social services
27 district, or any federal disallowance attributable to final federal
28 agency decisions or to settlement made, on or after July 1, 1995,
29 when such disallowance or sanction results from the failure of the
30 social services district to comply with federal or state
31 requirements, including, but not limited to, failure to document
32 eligibility for federal or state funds in the case record; provided,
33 however, if the office determines that any federal disallowance for
34 services provided between January 1, 1999 and May 31, 1999 results
35 solely from the late enactment of the state legislation implementing
36 the federal adoption and safe families act, the state shall be
37 solely responsible for the full amount of the disallowance or
38 sanction; provided, further, however, this provision shall be deemed
39 to apply both prospectively and retroactively regardless of whether
40 such sanctions or disallowances are for services provided or claims
41 made prior to or after April 1, 2025.

42 Notwithstanding any other provision of law, any federal disallowance
43 resulting from a federal title IV-E eligibility review or audit that
44 uses extrapolated statistic techniques shall be passed along by the
45 state to any and all social services districts that the office of
46 children and family services has determined have not complied with
47 the title IV-E eligibility requirements or have not taken the
48 necessary actions to ensure compliance with such requirements
49 including, but not limited to, failing to: assess and fully document
50 all the criteria and have readily available all the necessary
51 documents to establish and continue title IV-E eligibility for all
52 title IV-E eligible children within the required time frames; claim
53 title IV-E funding only for cases that meet all of the title IV-E
54 eligibility criteria; and fully implement the social services
55 payment system on or before April 1, 2005 for all direct and
56 voluntary agency foster care services.

57 Notwithstanding any law to the contrary, the office of children and
58 family services shall impose on social services districts any
59 federal disallowance issued against the state as a result of a

1 federal title IV-E secondary eligibility review regardless of the
2 date the children may have entered foster care, the date the
3 eligibility or payment errors occurred, or the filing date of any
4 federal claims for reimbursement; provided, however, that the state
5 shall be responsible for the disallowed costs and expenditures
6 related to the placement of children in a facility operated by the
7 office of children and family services, which shall be determined in
8 the same manner as the disallowed costs and expenditures for social
9 services districts other than the city of New York. In order to
10 reimburse the federal government for the full amount of any
11 disallowance imposed on the state by the federal administration for
12 children and families within the timeframes necessary to avoid any
13 potential interest payments on such amount, the office of children
14 and family services is authorized to immediately offset funds
15 otherwise due to each district for a pro rata share of the total
16 disallowed costs based on the percentage of applicable federal title
17 IV-E claims made by that district for the relevant time period as
18 compared to the total applicable statewide title IV-E claims. The
19 amount of the offset against each district will be adjusted, if
20 necessary, upon completion of the disallowance allocation process.
21 The final allocation of the amount of any federal disallowance
22 resulting from a title IV-E secondary eligibility review shall be
23 allocated among the districts so that each district shall be
24 responsible for the amount attributable to each of the district's
25 children or cases that are determined by the federal review to be
26 unallowable. Each district shall also be responsible for a portion
27 of the federal extrapolated disallowance amount based on the
28 relative error rate for the district. The city of New York's error
29 rate will be based on the federal sample and federal statistics. For
30 all social services districts other than the city of New York, the
31 error rate will be based on a review conducted by the district of a
32 sample of children and/or cases determined by the office of children
33 and family services and a re-review of a sub-sample by the office of
34 those children and/or cases determined by the office. The office of
35 children and family services will determine what is reasonable in
36 establishing the size of the sample and sub-sample for each
37 district. The office of children and family services shall notify
38 each social services district of the sample of children and/or cases
39 from the federal audit period that the social services district must
40 review. Any child or case from the social services district that was
41 included in the federal sample will automatically be included in the
42 social services district's review sample and the determination made
43 at the federal review regarding that child or case will govern for
44 the purposes of the social services district's review. The social
45 services district must complete and submit the results of its review
46 to the office of children and family services within 60 days of
47 receipt of the sample. The error rate for the district will be based
48 on the findings of the district's review and the office of children
49 and family services' re-review. If a social services district does
50 not complete its review within 60 days of receiving the sample from
51 the office of children and family services, the office of children
52 and family services shall assign an error rate to the social
53 services district based on the relative percentage of the district's
54 applicable title IV-E claims for the relevant period as compared to
55 applicable statewide title IV-E claims for that period and other
56 circumstances that the office of children and family services may
57 consider in order to allocate 100 percent of the federal
58 disallowance. The office of children and family services shall apply
59 each social services district's error rate to the total amount of

1 the district's applicable title IV-E claims including associated
2 administrative expenses. The resulting dollar amounts for all of the
3 social services districts will be summed to derive the total amount
4 of title IV-E claims deemed to be in error statewide. To establish a
5 disallowance percentage for each social services district, the
6 amount of the district's title IV-E claims deemed to be in error
7 will be divided by the amount of statewide title IV-E claims deemed
8 to be in error. The resulting disallowance percentage for each
9 district will be applied to the entire title IV-E extrapolated
10 disallowance calculated by the federal review to determine the
11 amount of the extrapolated disallowance for which the district is
12 responsible. Each district will be credited for the amount already
13 disallowed for any individual children or cases found to be in error
14 during the federal review. The exclusive appeal rights for the
15 review of the amount of the federal disallowance assigned to each
16 social services district shall be pursuant to article 78 of the
17 civil practice law and rules; provided, however, that in any such
18 action all of the social services districts shall be joined as
19 necessary parties and the venue of any such action shall be in
20 Rensselaer county. Any social services district that fails to
21 complete its sample review in the required time frames shall have no
22 right to appeal and shall not be a necessary party to any action
23 brought by another social services district.

24 The money hereby appropriated is to be available for payment of state
25 aid heretofore accrued or hereafter to accrue to municipalities.
26 Subject to the approval of the director of the budget, such funds

28 reimbursements, and credits.

48 state comptroller or the state commissioner of health as due from

48 for such services, the amount of funds that the district expends on
49 such services from its flexible fund for family services allocation
50 and any flexible fund for family services funds transferred at the

7 Funds appropriated herein shall be used to reimburse up to 100 percent

1 medicaid expenditures as a result of a
2 natural or other type of disaster, includ-
3 ing a governmental declaration of emergen-
4 cy.

5 The director of the budget, in consultation
6 with the commissioner of health, shall
7 assess on a quarterly basis known and
8 projected medicaid expenditures by category
9 of service and by geographic region, as
10 determined by the commissioner of health,
11 incurred both prior to and subsequent to
12 such assessment for each such period, and
13 if the director of the budget determines
14 that such expenditures are expected to
15 cause medicaid spending for such period to
16 exceed the aggregate limit specified here-
17 in for such period, the state medicaid
18 director, in consultation with the direc-
19 tor of the budget and the commissioner of
20 health, shall develop a medicaid savings
21 allocation adjustment to limit such spend-
22 ing to the aggregate limit specified here-
23 in for such period.

24 Such medicaid savings allocation adjustment
25 shall be designed, to reduce the expendi-
26 tures authorized by the appropriations
27 herein in compliance with the following
28 guidelines: (1) reductions shall be made
29 in compliance with applicable federal law,
30 including the provisions of the Patient
31 Protection and Affordable Care Act, Public
32 Law No. 111-148, and the Health Care and
33 Education Reconciliation Act of 2010,
34 Public Law No. 111-152 (collectively
35 "Affordable Care Act") and any subsequent
36 amendments thereto or regulations promul-
37 gated thereunder; (2) reductions shall be
38 made in a manner that complies with the
39 state medicaid plan approved by the feder-
40 al centers for medicare and medicaid
41 services, provided, however, that the
42 commissioner of health is authorized to
43 submit any state plan amendment or seek
44 other federal approval, including waiver
45 authority, to implement the provisions of
46 the medicaid savings allocation adjustment
47 that meets the other criteria set forth
48 herein; (3) reductions shall be made in a
49 manner that maximizes federal financial
50 participation, to the extent practicable,
51 including any federal financial partic-
52 ipation that is available or is reasonably
53 expected to become available, in the
54 discretion of the commissioner, under the
55 Affordable Care Act; (4) reductions shall
56 be made uniformly among categories of
57 services and geographic regions of the
58 state, to the extent practicable, and
59 shall be made uniformly within a category
60 of service, to the extent practicable,
61 except where the commissioner determines

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2026-27

1 that there are sufficient grounds for
2 non-uniformity, including but not limited
3 to: the extent to which specific categories of services contributed to department
4 of health medicaid state funds spending in
5 excess of the limits specified herein; the
6 need to maintain safety net services in
7 underserved communities; or the potential
8 benefits of pursuing innovative payment
9 models contemplated by the Affordable Care
10 Act, in which case such grounds shall be
11 set forth in the medicaid savings allocation
12 adjustment; and (5) reductions
13 shall be made in a manner that does not
14 unnecessarily create administrative
15 burdens to medicaid applicants and recipients
16 or providers.

17
18 The commissioner shall seek the input of the
19 legislature, as well as organizations
20 representing health care providers,
21 consumers, businesses, workers, health
22 insurers, and others with relevant expertise,
23 in developing such medicaid savings
24 allocation adjustment, to the extent that
25 all or part of such adjustment, in the
26 discretion of the commissioner, is likely
27 to have a material impact on the overall
28 medicaid program, particular categories of
29 service or particular geographic regions
30 of the state.

31 (a) The commissioner shall post the medicaid
32 savings allocation adjustment on the
33 department of health's website and shall
34 provide written copies of such adjustment
35 to the chairs of the senate finance and
36 the assembly ways and means committees at
37 least 30 days before the date on which
38 implementation is expected to begin.

39 (b) The commissioner may revise the medicaid
40 savings allocation adjustment subsequent
41 to the provisions of notice and prior to
42 implementation but needs to provide a new
43 notice pursuant to subparagraph (i) of
44 this paragraph only if the commissioner
45 determines, in his or her discretion, that
46 such revisions materially alter the
47 adjustment.

48 Notwithstanding the provisions of paragraphs
49 (a) and (b) of this subdivision, the
50 commissioner need not seek the input
51 described in paragraph (a) of this subdivision
52 or provide notice pursuant to paragraph
53 (b) of this subdivision if, in the
54 discretion of the commissioner, expedited
55 development and implementation of a medicaid
56 savings allocation adjustment is
57 necessary due to a public health emergency.
58

59 For purposes of this section, a public
60 health emergency is defined as: (i) a
61 disaster, natural or otherwise, that

General Fund
Local Assistance Account - 10000

For the medical assistance program, including administrative expenses, for local social services districts, and for medical care rates for authorized child care agencies.

Notwithstanding section 40 of the state finance law or any provision of law to the contrary, subject to federal approval, department of health state funds medicaid spending, excluding payments for medical services provided at state facilities operated by the office of mental health, the office for people with developmental disabilities and the office of addiction services and supports and further excluding any payments which are not appropriated within the department of health, in the aggregate, for the period April 1, 2026 through March 31, 2027 shall not exceed \$36,099,200,000 except as provided below provided, however, such aggregate limits may be adjusted by the director of the budget to account for any changes in the New York state federal medical assistance percentage amount established pursuant to the federal social security act, increases in provider revenues, reductions in local social services district payments for medical assistance administration, minimum wage increases, and beginning April 1, 2012 the operational costs of the New York state medical indemnity fund, pursuant to chapter 59 of the laws of 2011, and state costs or savings from the essential plan program. Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency.

The director of the budget, in consultation with the commissioner of health, shall assess on a quarterly basis known and projected medicaid expenditures by category of service and by geographic region, as defined by the commissioner, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2026-27

1 budget and the commissioner of health,
2 shall develop a medicaid savings allo-
3 cation adjustment to limit such spending
4 to the aggregate limit specified herein
5 for such period.

6 Such medicaid savings allocation adjustment
7 shall be designed, to reduce the expendi-
8 tures authorized by the appropriations
9 herein in compliance with the following
10 guidelines: (1) reductions shall be made
11 in compliance with applicable federal law,
12 including the provisions of the Patient
13 Protection and Affordable Care Act, Public
14 Law No. 111-148, and the Health Care and
15 Education Reconciliation Act of 2010,
16 Public Law No. 111-152 (collectively
17 "Affordable Care Act") and any subsequent
18 amendments thereto or regulations promul-
19 gated thereunder; (2) reductions shall be
20 made in a manner that complies with the
21 state medicaid plan approved by the feder-
22 al centers for medicare and medicaid
23 services, provided, however, that the
24 commissioner of health is authorized to
25 submit any state plan amendment or seek
26 other federal approval, including waiver
27 authority, to implement the provisions of
28 the medicaid savings allocation adjustment
29 that meets the other criteria set forth
30 herein; (3) reductions shall be made in a
31 manner that maximizes federal financial
32 participation, to the extent practicable,
33 including any federal financial partic-
34 ipation that is available or is reasonably
35 expected to become available, in the
36 discretion of the commissioner, under the
37 Affordable Care Act; (4) reductions shall
38 be made uniformly among categories of
39 services and geographic regions of the
40 state, to the extent practicable, and
41 shall be made uniformly within a category
42 of service, to the extent practicable,
43 except where the commissioner determines
44 that there are sufficient grounds for
45 non-uniformity, including but not limited
46 to: the extent to which specific catego-
47 ries of services contributed to department
48 of health medicaid state funds spending in
49 excess of the limits specified herein; the
50 need to maintain safety net services in
51 underserved communities; or the potential
52 benefits of pursuing innovative payment
53 models contemplated by the Affordable Care
54 Act, in which case such grounds shall be
55 set forth in the medicaid savings allo-
56 cation adjustment; and (5) reductions
57 shall be made in a manner that does not
58 unnecessarily create administrative
59 burdens to medicaid applicants and recipi-
60 ents or providers.

61 The commissioner shall seek the input of the

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2026-27

1 legislature, as well as organizations
2 representing health care providers,
3 consumers, businesses, workers, health
4 insurers, and others with relevant exper-
5 tise, in developing such medicaid savings
6 allocation adjustment, to the extent that
7 all or part of such adjustment, in the
8 discretion of the commissioner, is likely
9 to have a material impact on the overall
10 medicaid program, particular categories of
11 service or particular geographic regions
12 of the state.

13 (a) The commissioner shall post the medicaid
14 savings allocation adjustment on the
15 department of health's website and shall
16 provide written copies of such adjustment
17 to the chairs of the senate finance and
18 the assembly ways and means committees at
19 least 30 days before the date on which
20 implementation is expected to begin.

21 (b) The commissioner may revise the medicaid
22 savings allocation adjustment subsequent
23 to the provisions of notice and prior to
24 implementation but needs to provide a new
25 notice pursuant to subparagraph (i) of
26 this paragraph only if the commissioner
27 determines, in his or her discretion, that
28 such revisions materially alter the
29 adjustment.

30 Notwithstanding the provisions of paragraphs
31 (a) and (b) of this subdivision, the
32 commissioner need not seek the input
33 described in paragraph (a) of this subdivi-
34 sion or provide notice pursuant to para-
35 graph (b) of this subdivision if, in the
36 discretion of the commissioner, expedited
37 development and implementation of a medi-
38 caid savings allocation adjustment is
39 necessary due to a public health emergen-
40 cy.

41 For purposes of this section, a public
42 health emergency is defined as: (i) a
43 disaster, natural or otherwise, that
44 significantly increases the immediate need
45 for health care personnel in an area of
46 the state; (ii) an event or condition that
47 creates a widespread risk of exposure to a
48 serious communicable disease, or the
49 potential for such widespread risk of
50 exposure; or (iii) any other event or
51 condition determined by the commissioner
52 to constitute an imminent threat to public
53 health.

54 Nothing in this paragraph shall be deemed to
55 prevent all or part of such medicaid
56 savings allocation adjustment from taking
57 effect retroactively to the extent permit-
58 ted by the federal centers for medicare
59 and medicaid services.

60 In accordance with the medicaid savings
61 allocation adjustment, the commissioner of

4 Such medicaid savings allocation adjustment
5 shall be designed, to reduce the expendi-

8 guidelines: (1) reductions shall be made
9 in compliance with applicable federal law,
10 including the provisions of the Patient

18 made in a manner that complies with the
19 state medicaid plan approved by the feder-
20 al centers for medicare and medicaid
21 services, provided, however, that the
22 commissioner of health is authorized to
23 submit any state plan amendment or seek
24 other federal approval, including waiver
25 authority, to implement the provisions of
26 the medicaid savings allocation adjustment
27 that meets the other criteria set forth
28 herein; (3) reductions shall be made in a
29 manner that maximizes federal financial
30 participation, to the extent practicable,
31 including any federal financial partic-

33 expected to become available, in the
34 discretion of the commissioner, under the
35 Affordable Care Act; (4) reductions shall
36 be made uniformly among categories of
37 services and geographic regions of the
38 state, to the extent practicable, and

42 that there are sufficient grounds for
43 non-uniformity, including but not limited
44 to: the extent to which specific catego-

14 services provided at state facilities
15 operated by the office of mental health,

17 disabilities and the office of addiction
18 services and supports and further exclud-
19 ing any payments which are not appropri-
20 ated within the department of health, in
21 the aggregate, for the period April 1,
22 2026 through March 31, 2027, shall not
23 exceed \$36,099,200,000 except as provided
24 below provided, however, such aggregate
25 limits may be adjusted by the director of
26 the budget to account for any changes in
27 the New York state federal medical assist-
28 ance percentage amount established pursu-
29 ant to the federal social security act,
30 increases in provider revenues, reductions
31 in local social services district payments
32 for medical assistance administration,
33 minimum wage increases and beginning April
34 1, 2012 the operational costs of the New
35 York state medical indemnity fund, pursu-
36 ant to chapter 59 of the laws of 2011, and
37 state costs or savings from the essential
38 plan. Such projections may be adjusted by
39 the director of the budget to account for
40 increased or expedited department of
41 health state funds medicaid expenditures
42 as a result of a natural or other type of
43 disaster, including a governmental decla-
44 ration of emergency.

45 The director of the budget, in consultation
46 with the commissioner of health, shall
47 assess on a quarterly basis known and
48 projected medicaid expenditures by cate-
49 gory of service and by geographic region, as
50 determined by the commissioner of health,
51 incurred both prior to and subsequent to
52 such assessment for each such period, and
53 if the director of the budget determines
54 that such expenditures are expected to
55 cause medicaid spending for such period to
56 exceed the aggregate limit specified here-
57 in for such period, the state medicaid
58 director, in consultation with the direc-
59 tor of the budget and the commissioner of
60 health, shall develop a medicaid savings
61 allocation adjustment to limit such spend-

1 ing to the aggregate limit specified here-
2 in for such period.

3 Such medicaid savings allocation adjustment
4 shall be designed, to reduce the expendi-
5 tures authorized by the appropriations
6 herein in compliance with the following
7 guidelines: (1) reductions shall be made
8 in compliance with applicable federal law,
9 including the provisions of the Patient
10 Protection and Affordable Care Act, Public
11 Law No. 111-148, and the Health Care and
12 Education Reconciliation Act of 2010,
13 Public Law No. 111-152 (collectively
14 "Affordable Care Act") and any subsequent
15 amendments thereto or regulations promul-
16 gated thereunder; (2) reductions shall be
17 made in a manner that complies with the
18 state medicaid plan approved by the feder-
19 al centers for medicare and medicaid
20 services, provided, however, that the
21 commissioner of health is authorized to
22 submit any state plan amendment or seek
23 other federal approval, including waiver
24 authority, to implement the provisions of
25 the medicaid savings allocation adjustment
26 that meets the other criteria set forth
27 herein; (3) reductions shall be made in a
28 manner that maximizes federal financial
29 participation, to the extent practicable,
30 including any federal financial partic-
31 ipation that is available or is reasonably
32 expected to become available, in the
33 discretion of the commissioner, under the
34 Affordable Care Act; (4) reductions shall
35 be made uniformly among categories of
36 services and geographic regions of the
37 state, to the extent practicable, and
38 shall be made uniformly within a category
39 of service, to the extent practicable,
40 except where the commissioner determines
41 that there are sufficient grounds for
42 non-uniformity, including but not limited
43 to: the extent to which specific catego-
44 ries of services contributed to department
45 of health medicaid state funds spending in
46 excess of the limits specified herein; the
47 need to maintain safety net services in
48 underserved communities; or the potential
49 benefits of pursuing innovative payment
50 models contemplated by the Affordable Care
51 Act, in which case such grounds shall be
52 set forth in the medicaid savings allo-
53 cation adjustment; and (5) reductions
54 shall be made in a manner that does not
55 unnecessarily create administrative
56 burdens to medicaid applicants and recipi-
57 ents or providers.

58 The commissioner shall seek the input of the
59 legislature, as well as organizations
60 representing health care providers,
61 consumers, businesses, workers, health

1 insurers, and others with relevant exper-
2 tise, in developing such medicaid savings
3 allocation adjustment, to the extent that
4 all or part of such adjustment, in the
5 discretion of the commissioner, is likely
6 to have a material impact on the overall
7 medicaid program, particular categories of
8 service or particular geographic regions
9 of the state.

10 (a) The commissioner shall post the medicaid
11 savings allocation adjustment on the
12 department of health's website and shall
13 provide written copies of such plan to the
14 chairs of the senate finance and the
15 assembly ways and means committees at
16 least 30 days before the date on which
17 implementation is expected to begin.

18 (b) The commissioner may revise the medicaid
19 savings allocation adjustment subsequent
20 to the provisions of notice and prior to
21 implementation but needs to provide a new
22 notice pursuant to subparagraph (i) of
23 this paragraph only if the commissioner
24 determines, in his or her discretion, that
25 such revisions materially alter the plan.

26 Notwithstanding the provisions of paragraphs
27 (a) and (b) of this subdivision, the
28 commissioner need not seek the input
29 described in paragraph (a) of this subdivi-
30 sion or provide notice pursuant to para-
31 graph (b) of this subdivision if, in the
32 discretion of the commissioner, expedited
33 development and implementation of a medi-
34 caid savings allocation adjustment is
35 necessary due to a public health emergen-
36 cy.

37 For purposes of this section, a public
38 health emergency is defined as: (i) a
39 disaster, natural or otherwise, that
40 significantly increases the immediate need
41 for health care personnel in an area of
42 the state; (ii) an event or condition that
43 creates a widespread risk of exposure to a
44 serious communicable disease, or the
45 potential for such widespread risk of
46 exposure; or (iii) any other event or
47 condition determined by the commissioner
48 to constitute an imminent threat to public
49 health.

50 Nothing in this paragraph shall be deemed to
51 prevent all or part of such medicaid
52 savings allocation adjustment from taking
53 effect retroactively to the extent permit-
54 ted by the federal centers for medicare
55 and medicaid services.

56 In accordance with the medicaid savings
57 allocation adjustment, the commissioner of
58 the department of health shall reduce
59 department of health state funds medicaid
60 spending by the amount of the projected
61 overspending through, actions including,

 9 necessary federal approvals, including,
 10 but not limited to waivers, waiver amend-

 17 health law, section 18 of chapter 2 of the
 18 laws of 1988, and 18 NYCRR 505.14(h).
 19 The department of health shall prepare a
 20 quarterly report that sets forth: (a)
 21 known and projected department of health
 22 medicaid expenditures as described in
 23 subdivision (1) of this section, and
 24 factors that could result in medicaid
 25 disbursements for the relevant state
 26 fiscal year to exceed the projected
 27 department of health state funds disburse-
 28 ments in the enacted budget financial plan
 29 pursuant to subdivision 3 of section 23 of
 30 the state finance law, including spending
 31 increases or decreases due to: enrollment
 32 fluctuations, rate changes, utilization
 33 changes, MRT investments, and shift of
 34 beneficiaries to managed care; and vari-
 35 ations in offline medicaid payments; and
 36 (b) the actions taken to implement any
 37 medicaid savings allocation adjustment
 38 implemented pursuant to subdivision (4) of
 39 this section, including information
 40 concerning the impact of such actions on
 41 each category of service and each
 42 geographic region of the state. Each such
 43 quarterly report shall be provided to the
 44 chairs of the senate finance and the
 45 assembly ways and means committees and
 46 shall be posted on the department of
 47 health's website in a timely manner.

The appropriations made by chapter 53, section 1, of the laws of 2025, are hereby amended and reappropriated to read:

For reimbursement of local administrative expenses for medical assistance programs and for state administration of medical assistance programs, notwithstanding section 153 of the social services law, to include the performance of eligibility and enrollment determinations by the state or third-party entities designated by the state to perform such services.

Notwithstanding any provision of law to the contrary, subject to the approval of the director of budget, up to \$23,000,000 of the amount appropriated herein shall be available for the purpose of providing payments to local social services districts for medical assistance administration claims that exceed an administrative ceiling established by the commissioner of health.

Notwithstanding any inconsistent provision of law and subject to the approval of the director of budget, moneys hereby appropriated may be increased or decreased by transfer or interchange between these appropriated amounts and appropriations of the medical assistance administration program, the medical assistance program, and the office of health insurance programs. Funding authority from this account used for state administration of the medical assistance program may be transferred to state operations appropriations within the aforementioned programs at amounts agreed upon by the commissioner of health, and the New York state division of the budget.

Notwithstanding section 40 of the state finance law or any provision of law to the contrary, subject to federal approval, department of health state funds medicaid spending, excluding payments for medical services provided at state facilities operated by the office of mental health, the office for people with developmental disabilities and the office of addiction services and supports and further excluding any payments which are not appropriated within the department of health, in the aggregate, for the period April 1, 2025 through [March 31, 2026] September 15, 2026, shall not exceed \$33,417,285,000 except as provided below provided, however, such aggregate limits may be adjusted by the director of the budget to account for any changes in the New York state federal medical assistance percentage amount established pursuant to the federal social security act, increases in provider revenues, reductions in local social services district payments for medical assistance administration, minimum wage increases, and beginning April 1, 2012 the operational costs of the New York state medical indemnity fund, pursuant to chapter 59 of the laws of 2011, and state costs or savings from the essential plan program. 1 a result of a natural or other type of disaster, including a
2 governmental declaration of emergency.
3 The director of the budget, in consultation with the commissioner of
4 health, shall assess on a quarterly basis known and projected
5 medicaid expenditures by category of service and by geographic
6 region, as determined by the commissioner of health, incurred both
7 prior to and subsequent to such assessment for each such period, and
8 if the director of the budget determines that such expenditures are
9 expected to cause medicaid spending for such period to exceed the
10 aggregate limit specified herein for such period, the state medicaid
11 director, in consultation with the director of the budget and the
12 commissioner of health, shall develop a medicaid savings allocation
13 adjustment to limit such spending to the aggregate limit specified
14 herein for such period.

15 Such medicaid savings allocation adjustment shall be designed, to
16 reduce the expenditures authorized by the appropriations herein in
17 compliance with the following guidelines: (1) reductions shall be
18 made in compliance with applicable federal law, including the
19 provisions of the Patient Protection and Affordable Care Act, Public
20 Law No. 111-148, and the Health Care and Education Reconciliation
21 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
22 Act") and any subsequent amendments thereto or regulations
23 promulgated thereunder; (2) reductions shall be made in a manner
24 that complies with the state medicaid plan approved by the federal
25 centers for medicare and medicaid services, provided, however, that
26 the commissioner of health is authorized to submit any state plan
27 amendment or seek other federal approval, including waiver
28 authority, to implement the provisions of the medicaid savings
29 allocation adjustment that meets the other criteria set forth
30 herein; (3) reductions shall be made in a manner that maximizes
31 federal financial participation, to the extent practicable,
32 including any federal financial participation that is available or
33 is reasonably expected to become available, in the discretion of the
34 commissioner, under the Affordable Care Act; (4) reductions shall be
35 made uniformly among categories of services and geographic regions
36 of the state, to the extent practicable, and shall be made uniformly
37 within a category of service, to the extent practicable, except
38 where the commissioner determines that there are sufficient grounds
39 for non-uniformity, including but not limited to: the extent to
40 which specific categories of services contributed to department of
41 health medicaid state funds spending in excess of the limits
42 specified herein; the need to maintain safety net services in
43 underserved communities; or the potential benefits of pursuing
44 innovative payment models contemplated by the Affordable Care Act,
45 in which case such grounds shall be set forth in the medicaid
46 savings allocation adjustment; and (5) reductions shall be made in a
47 manner that does not unnecessarily create administrative burdens to
48 medicaid applicants and recipients or providers.

49 The commissioner shall seek the input of the legislature, as well as
50 organizations representing health care providers, consumers,
51 businesses, workers, health insurers, and others with relevant
52 expertise, in developing such medicaid savings allocation
53 adjustment, to the extent that all or part of such adjustment, in
54 the discretion of the commissioner, is likely to have a material
55 impact on the overall medicaid program, particular categories of
56 service or particular geographic regions of the state.

57 (a) The commissioner shall post the medicaid savings allocation
58 adjustment on the department of health's website and shall provide
59 written copies of such adjustment to the chairs of the senate
60 finance and the assembly ways and means committees at least 30 days
61 before the date on which implementation is expected to begin.

1 (b) The commissioner may revise the medicaid savings allocation
2 adjustment subsequent to the provisions of notice and prior to
3 implementation but needs to provide a new notice pursuant to

5 determines, in his or her discretion, that such revisions materially
6 alter the adjustment.

7 Notwithstanding the provisions of paragraphs (a) and (b) of this
8 subdivision, the commissioner need not seek the input described in
9 paragraph (a) of this subdivision or provide notice pursuant to
10 paragraph (b) of this subdivision if, in the discretion of the

19 such widespread risk of exposure; or (iii) any other event or
20 condition determined by the commissioner to constitute an imminent

22 Nothing in this paragraph shall be deemed to prevent all or part of
23 such medicaid savings allocation adjustment from taking effect
24 retroactively to the extent permitted by the federal centers for
25 medicare and medicaid services.

26 In accordance with the medicaid savings allocation adjustment, the
27 commissioner of the department of health shall reduce department of

34 medicaid program benefits; seeking all necessary federal approvals,
35 including, but not limited to waivers, waiver amendments; and
36 suspending time frames for notice, approval or certification of rate

38 regulation to the contrary, including but not limited to sections
39 2807 and 3614 of the public health law, section 18 of chapter 2 of
40 the laws of 1988, and 18 NYCRR 505.14(h).

41 The department of health shall prepare a quarterly report that sets
42 forth: (a) known and projected department of health medicaid
43 expenditures as described in subdivision (1) of this section, and
44 factors that could result in medicaid disbursements for the relevant

46 funds disbursements in the enacted budget financial plan pursuant to
47 subdivision 3 of section 23 of the state finance law, including
48 spending increases or decreases due to: enrollment fluctuations,
49 rate changes, utilization changes, MRT investments, and shift of
50 beneficiaries to managed care; and variations in offline medicaid
51 payments; and (b) the actions taken to implement any medicaid
52 savings allocation adjustment implemented pursuant to subdivision

1 local social services district payments for medical assistance
2 administration, minimum wage increases, and beginning April 1, 2012
3 the operational costs of the New York state medical indemnity fund,
4 pursuant to chapter 59 of the laws of 2011, and state costs or
5 savings from the essential plan program. Such projections may be
6 adjusted by the director of the budget to account for increased or
7 expedited department of health state funds medicaid expenditures as
8 a result of a natural or other type of disaster, including a
9 governmental declaration of emergency.

10 The director of the budget, in consultation with the commissioner of
11 health, shall assess on a quarterly basis known and projected
12 medicaid expenditures by category of service and by geographic
13 region, as defined by the commissioner, incurred both prior to and
14 subsequent to such assessment for each such period, and if the
15 director of the budget determines that such expenditures are
16 expected to cause medicaid spending for such period to exceed the
17 aggregate limit specified herein for such period, the state medicaid
18 director, in consultation with the director of the budget and the
19 commissioner of health, shall develop a medicaid savings allocation
20 adjustment to limit such spending to the aggregate limit specified
21 herein for such period.

22 Such medicaid savings allocation adjustment shall be designed, to
23 reduce the expenditures authorized by the appropriations herein in
24 compliance with the following guidelines: (1) reductions shall be
25 made in compliance with applicable federal law, including the
26 provisions of the Patient Protection and Affordable Care Act, Public
27 Law No. 111-148, and the Health Care and Education Reconciliation
28 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
29 Act") and any subsequent amendments thereto or regulations
30 promulgated thereunder; (2) reductions shall be made in a manner
31 that complies with the state medicaid plan approved by the federal
32 centers for medicare and medicaid services, provided, however, that
33 the commissioner of health is authorized to submit any state plan
34 amendment or seek other federal approval, including waiver
35 authority, to implement the provisions of the medicaid savings
36 allocation adjustment that meets the other criteria set forth
37 herein; (3) reductions shall be made in a manner that maximizes
38 federal financial participation, to the extent practicable,
39 including any federal financial participation that is available or
40 is reasonably expected to become available, in the discretion of the
41 commissioner, under the Affordable Care Act; (4) reductions shall be
42 made uniformly among categories of services and geographic regions
43 of the state, to the extent practicable, and shall be made uniformly
44 within a category of service, to the extent practicable, except
45 where the commissioner determines that there are sufficient grounds
46 for non-uniformity, including but not limited to: the extent to
47 which specific categories of services contributed to department of
48 health medicaid state funds spending in excess of the limits
49 specified herein; the need to maintain safety net services in
50 underserved communities; or the potential benefits of pursuing
51 innovative payment models contemplated by the Affordable Care Act,
52 in which case such grounds shall be set forth in the medicaid
53 savings allocation adjustment; and (5) reductions shall be made in a
54 manner that does not unnecessarily create administrative burdens to
55 medicaid applicants and recipients or providers.

56 The commissioner shall seek the input of the legislature, as well as
57 organizations representing health care providers, consumers,
58 businesses, workers, health insurers, and others with relevant
59 expertise, in developing such medicaid savings allocation
60 adjustment, to the extent that all or part of such adjustment, in
61 the discretion of the commissioner, is likely to have a material

1 impact on the overall medicaid program, particular categories of
2 service or particular geographic regions of the state.

3 (a) The commissioner shall post the medicaid savings allocation
4 adjustment on the department of health's website and shall provide
5 written copies of such adjustment to the chairs of the senate
6 finance and the assembly ways and means committees at least 30 days
7 before the date on which implementation is expected to begin.

8 (b) The commissioner may revise the medicaid savings allocation
9 adjustment subsequent to the provisions of notice and prior to
10 implementation but needs to provide a new notice pursuant to
11 subparagraph (i) of this paragraph only if the commissioner
12 determines, in his or her discretion, that such revisions materially
13 alter the adjustment.

14 Notwithstanding the provisions of paragraphs (a) and (b) of this
15 subdivision, the commissioner need not seek the input described in
16 paragraph (a) of this subdivision or provide notice pursuant to
17 paragraph (b) of this subdivision if, in the discretion of the
18 commissioner, expedited development and implementation of a medicaid
19 savings allocation adjustment is necessary due to a public health
20 emergency.

21 For purposes of this section, a public health emergency is defined as:
22 (i) a disaster, natural or otherwise, that significantly increases
23 the immediate need for health care personnel in an area of the
24 state; (ii) an event or condition that creates a widespread risk of
25 exposure to a serious communicable disease, or the potential for
26 such widespread risk of exposure; or (iii) any other event or
27 condition determined by the commissioner to constitute an imminent
28 threat to public health.

29 Nothing in this paragraph shall be deemed to prevent all or part of
30 such medicaid savings allocation adjustment from taking effect
31 retroactively to the extent permitted by the federal centers for
32 medicare and medicaid services.

33 In accordance with the medicaid savings allocation adjustment, the
34 commissioner of the department of health shall reduce department of
35 health state funds medicaid spending by the amount of the projected
36 overspending through, actions including, but not limited to
37 modifying or suspending reimbursement methods, including but not
38 limited to all fees, premium levels and rates of payment,
39 notwithstanding any provision of law that sets a specific amount or
40 methodology for any such payments or rates of payment; modifying or
41 discontinuing medicaid program benefits; seeking all necessary
42 federal approvals, including, but not limited to waivers, waiver
43 amendments; and suspending time frames for notice, approval or
44 certification of rate requirements, notwithstanding any provision of
45 law, rule or regulation to the contrary, including but not limited
46 to sections 2807 and 3614 of the public health law, section 18 of
47 chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

48 The department of health shall prepare a quarterly report that sets
49 forth: (a) known and projected department of health medicaid
50 expenditures as described in subdivision (1) of this section, and
51 factors that could result in medicaid disbursements for the relevant
52 state fiscal year to exceed the projected department of health state
53 funds disbursements in the enacted budget financial plan pursuant to
54 subdivision 3 of section 23 of the state finance law, including
55 spending increases or decreases due to: enrollment fluctuations,
56 rate changes, utilization changes, MRT investments, and shift of
57 beneficiaries to managed care; and variations in offline medicaid
58 payments; and (b) the actions taken to implement any medicaid
59 savings allocation adjustment implemented pursuant to subdivision
60 (4) of this section, including information concerning the impact of
61 such actions on each category of service and each geographic region

24 The appropriation made by chapter 53, section 1, of the laws of 2025, is
25 hereby amended and reappropriated to read:

26 Notwithstanding section 40 of the state finance law or any provision
27 of law to the contrary, subject to federal approval, department of
28 health state funds medicaid spending, excluding payments for medical
29 services provided at state facilities operated by the office of
30 mental health, the office for people with developmental disabilities
31 and the office of addiction services and supports and further
32 excluding any payments which are not appropriated within the
33 department of health, in the aggregate, for the period April 1, 2025
34 through [March 31, 2026]September 15, 2026, shall not exceed
35 \$33,417,285,000 except as provided below provided, however, such
36 aggregate limits may be adjusted by the director of the budget to
37 account for any changes in the New York state federal medical
38 assistance percentage amount established pursuant to the federal
39 social security act, increases in provider revenues, reductions in
40 local social services district payments for medical assistance
41 administration, minimum wage increases and beginning April 1, 2012
42 the operational costs of the New York state medical indemnity fund,
43 pursuant to chapter 59 of the laws of 2011, and state costs or
44 savings from the essential plan program. Such projections may be
45 adjusted by the director of the budget to account for increased or
46 expedited department of health state funds medicaid expenditures as
47 a result of a natural or other type of disaster, including a
48 governmental declaration of emergency.

49 The director of the budget, in consultation with the commissioner of
50 health, shall assess on a quarterly basis known and projected
51 medicaid expenditures by category of service and by geographic
52 region, as determined by the commissioner of health, incurred both
53 prior to and subsequent to such assessment for each such period, and
54 if the director of the budget determines that such expenditures are
55 expected to cause medicaid spending for such period to exceed the
56 aggregate limit specified herein for such period, the state medicaid
57 director, in consultation with the director of the budget and the
58 commissioner of health, shall develop a medicaid savings allocation
59 adjustment to limit such spending to the aggregate limit specified
60 herein for such period.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2026-27

1 Such medicaid savings allocation adjustment shall be designed, to
2 reduce the expenditures authorized by the appropriations herein in
3 compliance with the following guidelines: (1) reductions shall be
4 made in compliance with applicable federal law, including the
5 provisions of the Patient Protection and Affordable Care Act, Public
6 Law No. 111-148, and the Health Care and Education Reconciliation
7 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
8 Act") and any subsequent amendments thereto or regulations
9 promulgated thereunder; (2) reductions shall be made in a manner
10 that complies with the state medicaid plan approved by the federal
11 centers for medicare and medicaid services, provided, however, that
12 the commissioner of health is authorized to submit any state plan
13 amendment or seek other federal approval, including waiver
14 authority, to implement the provisions of the medicaid savings
15 allocation adjustment that meets the other criteria set forth
16 herein; (3) reductions shall be made in a manner that maximizes
17 federal financial participation, to the extent practicable,
18 including any federal financial participation that is available or
19 is reasonably expected to become available, in the discretion of the
20 commissioner, under the Affordable Care Act; (4) reductions shall be
21 made uniformly among categories of services and geographic regions
22 of the state, to the extent practicable, and shall be made uniformly
23 within a category of service, to the extent practicable, except
24 where the commissioner determines that there are sufficient grounds
25 for non-uniformity, including but not limited to: the extent to
26 which specific categories of services contributed to department of
27 health medicaid state funds spending in excess of the limits
28 specified herein; the need to maintain safety net services in
29 underserved communities; or the potential benefits of pursuing
30 innovative payment models contemplated by the Affordable Care Act,
31 in which case such grounds shall be set forth in the medicaid
32 savings allocation adjustment; and (5) reductions shall be made in a
33 manner that does not unnecessarily create administrative burdens to
34 medicaid applicants and recipients or providers.

35 The commissioner shall seek the input of the legislature, as well as
36 organizations representing health care providers, consumers,
37 businesses, workers, health insurers, and others with relevant
38 expertise, in developing such medicaid savings allocation
39 adjustment, to the extent that all or part of such adjustment, in
40 the discretion of the commissioner, is likely to have a material
41 impact on the overall medicaid program, particular categories of
42 service or particular geographic regions of the state.

43 (a) The commissioner shall post the medicaid savings allocation
44 adjustment on the department of health's website and shall provide
45 written copies of such plan to the chairs of the senate finance and
46 the assembly ways and means committees at least 30 days before the
47 date on which implementation is expected to begin.

48 (b) The commissioner may revise the medicaid savings allocation
49 adjustment subsequent to the provisions of notice and prior to
50 implementation but needs to provide a new notice pursuant to
51 subparagraph (i) of this paragraph only if the commissioner
52 determines, in his or her discretion, that such revisions materially
53 alter the plan.

54 Notwithstanding the provisions of paragraphs (a) and (b) of this
55 subdivision, the commissioner need not seek the input described in
56 paragraph (a) of this subdivision or provide notice pursuant to
57 paragraph (b) of this subdivision if, in the discretion of the
58 commissioner, expedited development and implementation of a medicaid
59 savings allocation adjustment is necessary due to a public health
60 emergency.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2026-27

1 For purposes of this section, a public health emergency is defined as:
2 (i) a disaster, natural or otherwise, that significantly increases
3 the immediate need for health care personnel in an area of the
4 state; (ii) an event or condition that creates a widespread risk of
5 exposure to a serious communicable disease, or the potential for
6 such widespread risk of exposure; or (iii) any other event or
7 condition determined by the commissioner to constitute an imminent
8 threat to public health.

9 Nothing in this paragraph shall be deemed to prevent all or part of
10 such medicaid savings allocation adjustment from taking effect
11 retroactively to the extent permitted by the federal centers for
12 medicare and medicaid services.

13 In accordance with the medicaid savings allocation adjustment, the
14 commissioner of the department of health shall reduce department of
15 health state funds medicaid spending by the amount of the projected
16 overspending through, actions including, but not limited to
17 modifying or suspending reimbursement methods, including but not
18 limited to all fees, premium levels and rates of payment,
19 notwithstanding any provision of law that sets a specific amount or
20 methodology for any such payments or rates of payment; modifying
21 medicaid program benefits; seeking all necessary federal approvals,
22 including, but not limited to waivers, waiver amendments; and
23 suspending time frames for notice, approval or certification of rate
24 requirements, notwithstanding any provision of law, rule or
25 regulation to the contrary, including but not limited to sections
26 2807 and 3614 of the public health law, section 18 of chapter 2 of
27 the laws of 1988, and 18 NYCRR 505.14(h).

28 The department of health shall prepare a quarterly report that sets
29 forth: (a) known and projected department of health medicaid
30 expenditures as described in subdivision (1) of this section, and
31 factors that could result in medicaid disbursements for the relevant
32 state fiscal year to exceed the projected department of health state
33 funds disbursements in the enacted budget financial plan pursuant to
34 subdivision 3 of section 23 of the state finance law, including
35 spending increases or decreases due to: enrollment fluctuations,
36 rate changes, utilization changes, MRT investments, and shift of
37 beneficiaries to managed care; and variations in offline medicaid
38 payments; and (b) the actions taken to implement any medicaid
39 savings allocation adjustment implemented pursuant to subdivision
40 (4) of this section, including information concerning the impact of
41 such actions on each category of service and each geographic region
42 of the state. Each such quarterly report shall be provided to the
43 chairs of the senate finance and the assembly ways and means
44 committees and shall be posted on the department of health's website
45 in a timely manner.

46 For the purpose of making payments to providers of medical care
47 pursuant to section 367-b of the social services law, and for
48 payment of state aid to municipalities where payment systems through
49 fiscal intermediaries are not operational, to reimburse such
50 providers for costs attributable to the provision of care to
51 patients eligible for medical assistance. Payments from this
52 appropriation to general hospitals related to indigent care pursuant
53 to article 28 of the public health law respectively, when combined
54 with federal funds for services and expenses for the medical
55 assistance program pursuant to title XIX of the federal social
56 security act or its successor program, shall equal the amount of the
57 funds received related to health care reform act allowances and
58 surcharges pursuant to article 28 of the public health law and

appropriated may be increased or decreased by interchange or transfer with any appropriation of the department of health with the approval of the director of the budget, who shall file such approval with the department of audit and control and copies thereof with the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

Notwithstanding section 2807-k of the Public Health Law, or any inconsistent provision of law, and subject to the availability of federal financial participation, for periods on and after January 1, 2020 through March 31, 2026, all funds available for distribution pursuant to subdivision 5-d of section 2807-k of the public health law shall be distributed in accordance with the provisions below.

The commissioner of the department of health shall establish methodologies for determining each facility's relative uncompensated care need amount based on uninsured inpatient and outpatient units of service from the cost reporting year two years prior to the distribution year, multiplied by the applicable medicaid rates in effect January first of the distribution year, as summed and adjusted by a statewide cost adjustment factor and reduced by the sum of all payment amounts collected from such uninsured patients, and as further adjusted by application of a nominal need computation that shall take into account each facility's medicaid inpatient share.

Annual distributions pursuant to such regulations for the 2025-2027 calendar years shall be in accord with the following: \$82,700,000 shall be distributed as Medicaid DSH payments to major general public hospitals, and \$969,900,000 shall be distributed as Medicaid DSH payments to eligible general hospitals, other than major public general hospitals, for each of the calendar years 2025-2027, provided that the total distributions to eligible general hospitals, other than major public general hospitals, shall be subject to a reduction of \$235,400,000 annually, and further provided that eligible general hospitals other than public general hospitals who qualify as enhanced safety net hospitals under section 2807-k of the public health law shall not be subject to such reduction.

Such reduction shall be determined by a methodology to be established by the department of health which may take into account the payor mix of each non-public general hospital, including the percentage of inpatient days paid by the medical assistance program.

For calendar years 2025-2027, eligible general hospitals other than major public general hospitals that qualify as enhanced safety net hospitals under sections 2087-c and section 2807-k of the public health law which experience a reduction in payments pursuant to section 2807-k of the public health law shall receive a distribution of \$64,600,000 annually proportional to the reduction experienced by the facility and pursuant to a methodology determined to the commissioner.

Notwithstanding any provision of law to the contrary, the portion of this appropriation covering fiscal year 2025-26 shall supersede and replace any duplicative (i) reappropriation for this item covering fiscal year 2025-26, and (ii) appropriation for this item covering fiscal year 2025-26 set forth in chapter 53 of the laws of 2024 (29797) ... 631,100,000 (re. \$631,100,000)

15 local social services district payments for medical assistance
16 administration, minimum wage increases and beginning April 1, 2012

18 pursuant to chapter 59 of the laws of 2011, and state costs or

24 The director of the budget, in consultation with the commissioner of
25 health, shall assess on a quarterly basis known and projected
26 medicaid expenditures by category of service and by geographic
27 region, as determined by the commissioner of health, incurred both
28 prior to and subsequent to such assessment for each such period, and

33 commissioner of health, shall develop a medicaid savings allocation
34 adjustment to limit such spending to the aggregate limit specified

The appropriation made by chapter 53, section 1, of the laws of 2025, is hereby amended and reappropriated to read:

Notwithstanding section 40 of the state finance law or any provision of law to the contrary, subject to federal approval, department of health state funds medicaid spending, excluding payments for medical services provided at state facilities operated by the office of mental health, the office for people with developmental disabilities and the office of addiction services and supports and further excluding any payments which are not appropriated within the department of health, in the aggregate, for the period April 1, 2025 through [March 31, 2026] September 15, 2026, shall not exceed \$33,417,285,000 except as provided below provided, however, such aggregate limits may be adjusted by the director of the budget to account for any changes in the New York state federal medical assistance percentage amount established pursuant to the federal social security act, increases in provider revenues, reductions in local social services district payments for medical assistance administration, minimum wage increases and beginning April 1, 2012 the operational costs of the New York state medical indemnity fund, pursuant to chapter 59 of the laws of 2011, and state costs or savings from the essential plan. Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency.

The director of the budget, in consultation with the commissioner of health, shall assess on a quarterly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation adjustment to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation adjustment shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care

1 Act") and any subsequent amendments thereto or regulations
2 promulgated thereunder; (2) reductions shall be made in a manner
3 that complies with the state medicaid plan approved by the federal
4 centers for medicare and medicaid services, provided, however, that
5 the commissioner of health is authorized to submit any state plan
6 amendment or seek other federal approval, including waiver
7 authority, to implement the provisions of the medicaid savings
8 allocation adjustment that meets the other criteria set forth
9 herein; (3) reductions shall be made in a manner that maximizes
10 federal financial participation, to the extent practicable,
11 including any federal financial participation that is available or
12 is reasonably expected to become available, in the discretion of the
13 commissioner, under the Affordable Care Act; (4) reductions shall be
14 made uniformly among categories of services and geographic regions
15 of the state, to the extent practicable, and shall be made uniformly
16 within a category of service, to the extent practicable, except
17 where the commissioner determines that there are sufficient grounds
18 for non-uniformity, including but not limited to: the extent to
19 which specific categories of services contributed to department of
20 health medicaid state funds spending in excess of the limits
21 specified herein; the need to maintain safety net services in
22 underserved communities; or the potential benefits of pursuing
23 innovative payment models contemplated by the Affordable Care Act,
24 in which case such grounds shall be set forth in the medicaid
25 savings allocation adjustment; and (5) reductions shall be made in a
26 manner that does not unnecessarily create administrative burdens to
27 medicaid applicants and recipients or providers.

28 The commissioner shall seek the input of the legislature, as well as
29 organizations representing health care providers, consumers,
30 businesses, workers, health insurers, and others with relevant
31 expertise, in developing such medicaid savings allocation
32 adjustment, to the extent that all or part of such adjustment, in
33 the discretion of the commissioner, is likely to have a material
34 impact on the overall medicaid program, particular categories of
35 service or particular geographic regions of the state.

36 (a) The commissioner shall post the medicaid savings allocation
37 adjustment on the department of health's website and shall provide
38 written copies of such plan to the chairs of the senate finance and
39 the assembly ways and means committees at least 30 days before the
40 date on which implementation is expected to begin.

41 (b) The commissioner may revise the medicaid savings allocation
42 adjustment subsequent to the provisions of notice and prior to
43 implementation but needs to provide a new notice pursuant to
44 subparagraph (i) of this paragraph only if the commissioner
45 determines, in his or her discretion, that such revisions materially
46 alter the plan.

47 Notwithstanding the provisions of paragraphs (a) and (b) of this
48 subdivision, the commissioner need not seek the input described in
49 paragraph (a) of this subdivision or provide notice pursuant to
50 paragraph (b) of this subdivision if, in the discretion of the
51 commissioner, expedited development and implementation of a medicaid
52 savings allocation adjustment is necessary due to a public health
53 emergency.

54 For purposes of this section, a public health emergency is defined as:
55 (i) a disaster, natural or otherwise, that significantly increases
56 the immediate need for health care personnel in an area of the
57 state; (ii) an event or condition that creates a widespread risk of
58 exposure to a serious communicable disease, or the potential for
59 such widespread risk of exposure; or (iii) any other event or
60 condition determined by the commissioner to constitute an imminent
61 threat to public health.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2026-27

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

The department of health shall prepare a quarterly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation adjustment implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. Each such quarterly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.

For the purpose of making payments to providers of medical care pursuant to section 367-b of the social services law, and for payment of state aid to municipalities and the federal government where payment systems through fiscal intermediaries are not operational, to reimburse the provision of care to patients eligible for medical assistance.

For services and expenses of the medical assistance program including nursing home, personal care, certified home health agency, long term home health care program and hospital services.

Notwithstanding any provision of law to the contrary, the portion of this appropriation covering fiscal year 2025-26 shall supersede and replace any duplicative (i) reappropriation for this item covering fiscal year 2025-26, and (ii) appropriation for this item covering fiscal year 2025-26 set forth in chapter 53 of the laws of 2024 (29846) ... 1,080,000,000 (re. \$1,080,000,000)
